

ST. MARGUERITE BOURGEOYS PARISH

SCHOLARSHIP PROGRAM

Introduction

St. Marguerite Bourgeoys Roman Catholic Parish has created an annual scholarship to promote the spiritual, intellectual, and social education of a parishioner entering his or her first year of Immaculate High School. Funds for this program will come from St. Marguerite's Endowment Fund. Information about the Investment Policy for the Endowment is available upon request in the parish office or on the website.

Eligibility

Any student who is entering Immaculate High for his or her first year and is a registered and practicing, active member of St. Marguerite Bourgeoys Parish. A practicing, active member of the parish is a family who attends Mass each week and financially contributes to the parish. The student must be enrolled either in our parish's Family Formation program or a Catholic school and also be preparing for Confirmation in our parish if they are in the eighth grade. Any other particular circumstances will have to be approved by the pastor. Family income is not a criterion.

Annual Award

A minimum award of \$4,000 will be awarded to one student each year. The scholarship will be directed to Immaculate High in the student's name.

Timing

The scholarship award amount will be announced on 3 January each year. Applications will be available in the parish office, on the parish website, or on Immaculate High's website. The application availability and deadline will be determined by Immaculate High's funded scholarships deadline each year. Completed applications will be given to the pastor.

A committee of four within St. Marguerite Parish will then review the applications: the Director of Family Formation, one member of the Finance Council, one member of the Parish Council, and one parish Trustee. They will make a recommendation to the pastor, who will then announce the award at the same time that Immaculate High announces its funded scholarship awards.
