

NORMA & MICHELLE VINCHKOSKI: QUILT HATCHERY

This mother-daughter team makes quilts and eggs and more! Norma taught Michelle how to make Ukrainian Easter eggs (pysanky) back in the 90s and as she puts it, 'Michelle has gone way beyond what I could ever accomplish.' Norma is an talented and accomplished sewer and makes everything from quilts to costumes. Take a look on Etsy, and you'll see a fun variety of their handmade goods, including pysank, patchwork placemats and runners, bags, quilts, and the occasional papercraft item.
