Cabrini

From Alejandro Monteverde, award-winning director of Sound of Freedom, comes the powerful epic of Francesca Cabrini, an Italian immigrant who arrives in New York City in 1889 and is greeted by disease, crime, and impoverished children. With broken English and poor health, Cabrini builds an empire of hope unlike anything the world had ever seen.

The Afterlife | Eternal Rest | Episode 2

What happens after the moment of our death? Once the soul has been separated from the body, then what? What is heaven, hell, and purgatory? This session looks at the truth about what awaits the human person on the other side of death.

How to Advent | Episode 2

The Advent wreath is an invitation to enter into the waiting and preparation for the birth of our Savior! As we explore the meaning of the Advent wreath – its light, colors, and components – we can better grasp how we should be preparing our hearts. As the light from the candles grows brighter and brighter throughout the four weeks of Advent, so too grows our longing for the coming Light of Christ.
